# READY TO REGISTER? HERE'S HOW!

## STEP 1

Visit our new account management and registration site – [apm.activecommunities.com/metroymcas](https://apm.activecommunities.com/metroymcas) on your tablet, laptop or desktop computer and create your account. Upon completion, you will receive an email with instructions on how to activate your account.

## STEP 2

After you have created and activated your new account, log in and click **Register for Activities** under the **Online Services** section of your account.

## STEP 3

At the top of the **Filter by** section on the left side of your screen, use the **Site** filter option to select the West Essex YMCA. Locate your desired program in the search results page and click **Add to Cart**.

## STEP 4

Click **Enroll Now**, select the child you wish to register and click **Continue**.

## STEP 5

Select the session for the grade your child will be entering in September and click **Add to my Cart**.

**PROGRAM FULL?** If the program you wish to register your child for is full, you will see **Full** next to or below the dates on the calendar. To add your child to the waitlist, select the session you would like to register for and click **Add to my Cart**. Your screen will refresh and you will see a message that states "You will be added to the waiting list for the indicated dates after you've completed your registration process." **Full** will change to **Waitlist** on the calendar on your screen. You will need to click **Add to my Cart** one more time.

**PLEASE NOTE:** Registration cannot be guaranteed for a child registered for an incorrect grade. If the session for the grade your child will be entering in September is full, please add your child to our waitlist. While we cannot guarantee a space in our program, we will make every effort to accommodate your child if possible.

## STEP 6

Select your desired payment plan (pay in full or weekly installments) and click **Continue** at the bottom of the page.

**PROGRAM FULL?** If your child is being waitlisted, this step will not apply.

## STEP 7

Answer any required questions, agree to required waiver(s) and click **Continue**.

**REGISTERING MORE THAN ONE CHILD?** If you are registering an additional child, click **Activities** on the banner at the top of the screen and repeat steps 3-6. Once you have registered all of the children in your family, proceed to step 8.

## STEP 8

Click **Check Out**, enter your desired payment method, and click **Pay**. Your payment method will be used for both your initial payment and your scheduled tuition installments. If paying with a credit/debit card, your card must have an expiration date of June 2020 or later.

**PROGRAM FULL?** Click **Finish** to secure your child's spot on our waitlist. No payment to register for a waitlist is required. If a space becomes available, payment will be collected when your child is enrolled. While we cannot guarantee a space in our program, we will make every effort to accommodate your child if possible.
