**THE YMCA OF GREATER BERGEN COUNTY**

Welcome. When you join the Y, you’re coming together with men, women and children from your community who are committed to youth development, healthy living and social responsibility. The Y offers programs, services and initiatives that focus on these three areas, according to the unique needs of the communities we engage.

We know firsthand how difficult it can be to find balance in life. That’s why we’re here with you every day, making sure that you, your family and your community have the resources and support needed to learn, grow and thrive.

We do that by encouraging good health and fostering connections with new and old friends through sports, fun and shared interests.

The YMCA of Greater Bergen County was founded in the 1890s in Hackensack. The present building was erected in 1926–27 as a “Y for All” – men, women, boys and girls.

Currently, thousands of children are enrolled in the various youth development programs: Childcare Center, After School Program, Summer Camp, Swimming, Sports, Dance and Art Programs. Teens participate in wellness classes and the Teen Leaders Club. Adults and seniors continue a healthy lifestyle through wellness classes and use of the Y’s Geraldine Lees Wellness Center.

The Y, a nonprofit organization, welcomes your participation and support.

Welcome and Good Evening,

It is with great pleasure that I greet all assembled here tonight in celebration of the YMCA of Greater Bergen County’s 49th Annual Sports Award Banquet.

The Y is a powerful association of men, women and children joined together by a shared commitment to nurturing the potential of kids, promoting healthy living and fostering a sense of social responsibility. We believe that lasting personal and social change can only come about when we all work together to invest in kids, our health and our neighbors. That’s why strengthening community is our cause. Every day, we work side by side with our neighbors in our communities to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

Congratulations to tonight’s honorees and thank you for all that you do in your schools and communities. We recognize each of you for your personal and athletic achievements, and for instilling in each other a collective sense of what is right and what is good. These are values that you have learned while competing in sports, and values by which you have chosen to live.

Thank you to the members of the Sports Award Committee for their hard work and dedication in putting this event together. It is truly one of Bergen County’s premier events.

Finally, I would like to thank all the businesses, corporations and organizations participating in this year’s banquet that provided financial support for Y programs that serve the greater Bergen County community.

Again, congratulations to all here tonight and best wishes for continued success.

Nelson Louis
President and CEO
YMCA of Greater Bergen County

We count on the generosity of our members and partners to keep our doors open to whomever needs a place to go to help them be more healthy, confident, connected and secure. All proceeds from tonight’s event will provide Y scholarships for those in need or program subsidy for Y Youth and Teen programs.

The Y would like to acknowledge and thank the following Foundations for their support through grants of Y Youth and Teen Development Programs.

DEDICATED AWARDS

Richard Poor Service to the Community Award
Dick Poor was one of the founders of the YMCA Athletic Achievement Awards Banquet, now called the Sports Award Banquet, which was started in 1966 and grew out of the Y’s pioneering interest in, and emphasis on, sports and physical fitness as a means of character development. He served on the committee until his death. A member of the YMCA Board of Managers for many years, Dick was a career banker with a lifelong interest in both young people and sports. He had a strong dedication to the betterment of life in Bergen County.

Thomas L. Della Torre Special Achievement Award
Tommy Della Torre, renowned football coach, athletic director, disciplinarian, mentor, friend and member of the YMCA of Greater Bergen County’s Board of Directors, was dedicated to youth, sports and family. This award is given to someone who embodies Tom’s attributes and ideals, as well as the values of spirit, mind and body for which the YMCA stands.

J. Barry Stanford Award for Outstanding Achievement in High School Sports
This Special Achievement Award is given to recently graduated high school students who have received significant recognition in sports. It was renamed posthumously in honor of Barry Stanford, who served on the Sports Award Banquet Committee for over 30 years and was passionate about high school sports and the young people involved in them.

Nicholas G. Saingas Service to Youth Award for Contribution to High School Athletics
Although Nick Saingas did not join the Awards Committee until after his retirement from Public Service, he had been a strong supporter of the Sports Award Banquet for many years. An avid athlete all his life, he understood the importance of sports in the development of young people. His impact on others was great. He was a true friend to our youth and generously contributed his time and talents both to them and to activities which benefited their lives.

Walter E. Goepel Amateur Athlete of the Year Award
Involved with the YMCA of Greater Bergen County off and on throughout his life, Walt Goepel in his later years served on both the Sports Award Banquet Committee and the YMCA Board of Directors. Once a nationally ranked tennis player, he was a 12-time Bergen County tennis champion in both singles and doubles, and a New Jersey state singles champion.

William J. “Mickey” Corcoran Award
This award is named after the long-time Northern Highlands and River Dell athletic director and coach, Mickey Corcoran, whose service to the high school athletes in this area covers six decades. “The Mentor” is a long-time member of the YMCA Sports Award Committee and the Bergen County Coaches’ Association Basketball Jam-boree Committee. His contributions to high school athletics, the many students he helped, the countless number of coaches he counseled and friends he made along the way make Mickey one of the legendary figures in Bergen County athletic history.
PERSON OF THE YEAR
Bob Carcich

Bob Carcich, affectionately known by many as “Cich”, recently retired as the second longest-standing high school athletic director in Bergen County. Bob dedicated his life to the high school athletic community in Emerson, serving 30 years as the high school’s athletic director and acting as a leader in local, county and state sports.

Bob launched his career at Emerson as a biology and AP biology teacher. He taught until 1985 when he switched gears and became the athletic director and disciplinarian.

Bob is one of Bergen County’s most successful baseball coaches, winning three state championships, seven state sectional championships and 14 league championships. He has a win/loss record of 526-227. His varsity baseball team won back to back championships in 2001 and 2002. Bob’s team earned five sportsmanship awards from the baseball umpires association for exemplifying leadership, ethical behavior and fair play.

For 10 years, Bob served on the executive committee of the Bergen County Coaches Association. He also served as the secretary/treasurer of the New Jersey Interscholastic Conference, chairman of the Bergen County Baseball Committee and president of the Bergen County Scholastic League. Bob has also served as a high school basketball official for many years.

According to Bergenfield High School’s current athletic director and long time friend, Tom Curry, Bob has a great feel for coaching kids and they love playing for him.

His many awards and accomplishments include 2011 NJ State Baseball Coaches Association Man of the Year, three-time Bergen County Coach of the Year for baseball (1992, 2001, 2007), Baldwin Hunt Service Award to Bergen County Baseball, YMCA Nick Saingas Award in 2002, chairman of Bergen County Baseball for 29 years, BCSL/NJIC Baseball Coach of the Year 12 times, Athletic Director of the Year in Bergen County 2010, NJSCA Hall of Fame 2008, IAABO Basketball Official for 35 years, officiated two NJ Tournament of Champions for basketball and officiated the BCWCA basketball final.

Bob is a graduate of Bergen Catholic High School where he played baseball and was named All-League in 1970. In Bob’s high school yearbook, Bob wrote that he wanted to major in biology and work with sports. That dream was fulfilled thanks to a full academic scholarship to attend Providence College.

During Bob’s last game at Emerson, his wife, Judy, invited some former players from various decades to support him. “It’s all about the relationships,” said Bob, “not always about the wins and losses.”

Bob has three children, Michele, Robert and Michael, and two step-children, Kelly and Tracy. He is also grandfather to Kylie, Morgan and Hailey.
SPORTS AWARD BANQUET HONOREES

JAMES KELLY
Richard Poor Service to the Community

An avid supporter of the American Special Children’s Pilgrimage Group (ASCPG), James Kelly, has given his free time to help young people with special physical and developmental needs.

The ASCPG is a non-profit organization that unites children and young adults with special physical or emotional needs with volunteer caregivers for an unforgettable week in Lourdes. The week is packed with social and spiritual activities for over 5,000 people from Ireland, England, Scotland, Wales, the West Indies, Croatia, Romania and the United States. The special needs pilgrims travel without their parents; instead, caring volunteers from all walks of life – doctors, nurses, priests, professionals, retirees, teachers, carpenters, students – travel with and care for them in a family-type atmosphere. The volunteers pay their own way and work tirelessly to raise the funds for every special pilgrim to experience Lourdes.

Since the inception of ASCPG, approximately 200 young people from the tri-state area have traveled to Lourdes. The organization is funded solely on private and corporate donations and is 100% volunteer driven. Although the pilgrimage began with European children, in the 1990s, the ASCPG was formed by Jerry Flood, to include pilgrims from the United States as well. A long-time friend of Jerry’s, James decided that it was time to make the trip. It has now become an annual commitment. James works each year to raise funds through friends, family and local businesses and organizations to support the pilgrimage.

James is currently the Mayor of Dumont, the town where he grew up and later decided to raise his family. He has been a member of the St. John’s Knights of Columbus for over 40 years, an organization which has donated thousands of dollars to the needy, in particular to help children with mental handicaps. James also has a younger brother who has Down Syndrome. Professionally, James is the Human Resource Administrator/Assistant Comptroller at Steri-Pharma, LLC.

NICHOLAS LEO

MATTHEW LEO

Inspirational Youth Award

Diagnosed at a very young age with Ataxia-Telangiectasia, Nicholas and Matthew Leo have never let their disorder hold them back. Born seventeen months apart, the boys were always encouraged by their parents to be active and they took that advice to heart.

Nick began bowling at eight years old with the aid of a ramp. He used physics to help him hook and curve the ball. A student at Northern Valley Regional High School Demarest, Nick now competes for the Norseman Bowling Team and junior leagues throughout the state. He has earned two varsity letters and is poised to receive his third in the fall. Off the lanes, Nick has been an honor roll student and served as the public relations officer for Hand-in-Hand, a teen peer group that facilitates socialization among children with special needs.

Matthew, also a student at Northern Valley Regional High School Demarest, has been playing baseball since the first grade. Passionate about the sport, he has been able to bat with assistance from his father. He serves as the scorekeeper for the Norseman freshman baseball team. Like his brother, Matthew is a bowler too, and competes in junior tournaments throughout the state for the Norsemen Bowling Team, using a ramp and wheelchair. In 2013, the Closter Recreation Department created the Matthew Leo Leadership and Courage Award in his honor.

Matt and Nick were recently awarded the Bergen County 16th Annual Salute to Champions Award.

CHRIS LOCURTO

Inspirational Adult Award

As the head football coach for Northern Highlands, Chris Locurto has led his team to many spectacular wins, but the most impressive was his battle against meningitis.

In February 2012, Chris contracted bacterial meningitis. He is not sure where he got it. It could have been simply shaking the wrong hand at a coaching clinic. It began with an intense earache and then high fever followed by becoming delusional and disoriented. He spent the next month in and out of a coma. His wife was told to get her affairs in order. The doctors don’t know how, but he fought through it.

His coaching career at Northern Highlands Regional High School began in 2007, where he is currently a physical education and health teacher. Prior to Northern Highlands he taught and coached at Spring Valley High School.

At Spring Valley his team won the State Section 7 title for the first time in the school’s history. While at Northern Highlands he led the team to the playoffs for the first time in 13 years. The team went to the State Semi-Finals for the first time in 17 years. In 2012 the team was ranked the #7 rushing offense in New Jersey during the regular season and in 2013 they became league champions.

Lauren was featured on television in...
2011 when she was the National Runner-Up in the NCAA Bowling Championships. She was seen again in the finals in 2013 when Vanderbilt came up short against the University of Nebraska.

Her bowling career began well before college. At IHA she was captain of the team for two years and all county for four years. Lauren was named to the North Jersey Bowling All Decade Team and was named Bowler of the Year twice.

Lauren also began her call to service at IHA where she was involved in peer ministry, Eucharistic ministry, student ambassadors and more. Lauren has made it her life’s mission to care for her mother and then professionally to care for others.

Joe worked in that program for 14 years and, according to Coach Miello, was an integral part of the team’s NBIL and state titles. **Thomas L. Della Torre Special Achievement**

In 40 years of coaching, Chuck Johnson has only had four losing seasons. During that time he has established himself as a leader among football coaches. One of his many accomplishments is that he is the only coach to beat three parochial schools in a five-year period.

Chuck began his career at Bogota High School in 1974 where he was a physical education teacher and an assistant and head football coach. He never had a losing season at Bogota.

In 1984, he moved to Ridgewood High School where he became a wellness teacher and the head football coach. He has also coached baseball and girls basketball. While at Ridgewood, his team won the Group IV Section One State Championships in 2003 and 2004. His teams have gone to the playoffs every year, except one, since 1998.

In addition to coaching, Chuck is fully committed to teaching. With the help of colleague Sheryl Soucy, he developed an entirely new wellness-based curriculum for Ridgewood High School physical education students.

Chuck believes that his success in coaching and teaching is based on creating a “relaxed, comfortable working relationship with each student and each athlete.” He creates a rapport to “promote engagement and performance of the learner/athlete.” He helps each player use their skills to their highest potential.

His awards include the Rutgers Cup Winner in 1986 for Outstanding Football Team in Northern New Jersey, John F. Bateman Award for Outstanding High School Football Coach in New Jersey by Rutgers Alumni in 2006, he was inducted into the New Jersey Scholastic Coaches Association Hall of Fame in 2002 and the Lou Rettino Award for Outstanding Tri-State Area High School Coach of the Week by the New York Giants in 1998, 2004 and 2012.

His personal athletic career was also at Ridgewood High School where he played varsity baseball and football and was the captain of the football team in 1969. He then went on to Gettysburg College where he earned three varsity letters for football and four varsity letters for baseball. He was all the captain of the baseball team in 1974. After college, Chuck played semi-pro baseball as a part of the Ridgewood Stan Musial Team and the Ridgewood Suburban League Team, where he won three state championships.

**STEVEN SCHAPIO**

**Courageous Youth Award**

Top Hockey Defenseman for St. Joseph Regional High School, Steven Shapiro would never have guessed that his hockey career and his life would be put on hold his senior year of high school.

Diagnosed with Stage 3 cancer, Steven was devastated. But instead of giving up, Steven decided to fight through his cancer and get his life back. A diagnosis like this could certainly have meant the end of Steven’s hockey career. Instead, Steven used it as a motivator. In between treatments he would go to games and practices to be with his teammates.

After 3 cycles of chemo therapy in a four-month span, Steven was back on the ice where he should be. His first game back was a 6-1 win over Pascack Valley. According to his coach, “he hadn’t missed a beat.”

Steven Shapiro was voted assistant captain by his teammates prior to his diagnosis. He showed leadership and determination through his treatment and by getting back on the ice with his teammates.

During his hockey career, Steven played in back-to-back championships with the Kodiak Hockey Club (2007 – 2008, 2008 – 2009). He won the division championship in Delaware’s Flight on Ice Tournament in 2009-2010. In his two years playing at St. Joseph’s Regional, the team played in the league finals.
Steven is now playing Junior Hockey for the Avalanche organization.

**KATHY GRAEF**

Walter E. Goepel Amateur Athlete Award

Kathy Graef spent her 32-year career teaching math at Northern Valley Regional High School where she also coached cross country track. Her personal athletic career began at a young age. In high school she was a 12 Varsity Letter winner as well as the Most Valuable Player in both basketball and softball. She was also All League and All County in both of those sports.

Always a competitive athlete, early in her career Kathy earned countless awards from local and NY City Road Runner Races. She placed in the top 3 in her age group in multiple half marathons and marathons, leading into triathlons and ultimately Ironman Lake Placid. Her love for competitive running spurred her career as a cross-country coach and allowed her to share her passion for the sport.

Some of her accomplishments include: four-time Ironman finisher, placing in the top 3-4 in her age group; 2:52 best marathon time; NYC Marathon finisher multiple times placing in the top 2-4 of her age group; winner of many local races and Olympic distance triathlons. She was also inducted into the Bergen County Women Coaches Association’s Hall of Fame.
