Take your game to the next level with the YMCA basketball league. Our league is designed to assist boys and girls, ages 10-14, with the evolution of their individual skill level while enhancing their level of play in a fun, competitive and structured environment. Sportsmanship, skill progression, and teamwork are emphasized. **Everyone plays!**

Teams will compete in the NJYMCA Youth Basketball League, a 16-week season playing other NJ YMCAs. The season runs from November 2016 to March 2017. Participants must make the 4-month commitment.

The league offers two different skill level divisions. After open tryouts the successful candidates will be placed on either the Y's A Team or B Team. Practices will be Monday/Wednesday 6:30-8:00pm with games on the weekends December—March. The season culminates with the NJ YMCA Youth Basketball League State Tournament during the weekend of March 3-5, 2017.
