## Then What?

- Selected applicants are called for a phone interview.
- If selected an in-person interview is scheduled.
- Background and reference checks are performed for selected candidates.
- When hired, camp paperwork is completed.

## **2019 Summer Camps Include:**

### Specialty Camps (Grades K-8)

**Build It:** young engineers and architects work together to imagine, design and build.

**Creative Theater:** passionate counselors assist with the entire show production from start to finish.

**Global Arts:** explore the sights, sounds and textures of countries all around the globe.

**Masters of Art:** inspire young minds and discover artists from around the world as campers design and create self-portraits, collages and other graphic designs.

**Skateboard Clinic:** hone skateboard skills, conquer cool tricks and grow self-confidence on your board

**Summer Discovery:** focus on science, nature and our environment to concoct and construct hands-on experiments and STEM projects weekly.

**Superhero Academy:** create a unique superhero, build powers, develop stories and create a real comic book.

**Style Studio:** learn skills, master sewing, sketching, cutting patterns and finishing garments. Explore the history of fashion then turn passions into projects.

### **Traditional Camps**

**SOMAPY** (Grades 1-5) focus on teamwork, building self-confidence and cultivating independence through sports, activities, creative play, swim instruction and field trips.

**YKNOTS** (3.5-5 yrs old) builds character, confidence and self-esteem in our youngest campers to inspire curiosity, creativity and exploration.

**Summer Quest/Teen Adventure Camps** (Grades 5-9) focus on developing values, decision-making skills and encouraging social responsibility in teens through weekly trips, projects, and special events.

**Due to the number of applicants, we will contact you only if your qualifications meet our needs.**
