Do I have to pick my days in advance?

Yes, when you register you will choose the days of the week you'll need care. No "swapping" days. If school is closed or your child is absent on their regularly scheduled day, you may not make up that day later in the week. Please follow the regular schedule you have selected for your child.

Can I change my days?

Yes, please complete our [Schedule Change & Cancellation Form](#).

A change fee of \$35 per child, per request will apply and you'll need to make the change by **12 pm on Wednesday** for the change to take effect the following Monday. Changes are approved based on availability.

Is there a fee to make changes?

Yes, there is a \$35 administrative fee per child, per request for changes.

If 5 days is (\$\$\$) why am I paying more than the daily rate for fewer days?

We know our parents value flexibility and that's why we are offering more options this year. With this, there are some increased administrative costs associated with expanding our flexible options. Our pricing covers those increased costs.

Will I still be charged tuition during holiday/school breaks?

Yes. There will be an auto pay processed during holiday and any other break weeks. Tuition is calculated as an annual fee that is billed weekly from enrollment until the end of the school year, with NO breaks for school

closings, vacations, holidays, snow days, or illness. We do this in order to make the payments the same throughout the program. Please note - scheduled early dismissal days are included in tuition.

What is the “drop-in” option?

We are now allowing a “drop in” for parents/guardians that are in need of a day, if space is available, in either Before Care or After Care. The program starts **Oct. 1st**. This option is available for those who are both currently enrolled in our programs and those who are not.

Drop-in rates:
