# September Social Responsibility Project: The Kindness Rocks Project

September 25-28th

The Kindness Rocks Project began with one woman dropping painted rocks with inspirational messages along the beach where she walked. Her goal was to leave hopeful and encouraging thoughts for others who need a kind word to brighten their day.

Our students will spread a little joy and inspiration along our pathway outside. We invite families to paint their own rocks and sprinkle them around our community. We'll provide the rocks and you provide the kindness!

We encourage families to use the hashtags #thekindnessrocksproject #westessexYMCA #beCAUSEY
